Forecast for Tuesday 22 Nov 2022

Weather: Any early fog west of the A9 soon clears to leave a cloudy day with sunny periods west of the A9 but cloudy with bright spells and showers to the east, these falling as snow above 700m.

Chance of cloud-free hill tops above 800m: 70% in the west, 40% across eastern parts.

Low cloud and visibility: Eastern parts will see extensive cloud with base 500 to 700m but this becomes patchy to the west. Out of the cloud the visibility will be very good, falling poor in showers and very poor in any snow.
